

Turtle Tours in Rarotonga

SCAN ME
FOR INFO

Swimming with turtles in Rarotonga is an unforgettable experience. To make sure it's safe and enjoyable for everyone, here are some tips on responsible interaction with the turtles and their environment.

Safety Tips

Respect the danger - drowning zone! The passage is dangerous due to strong, unpredictable currents, even in calm conditions.

Respect the animals and environment! Do not touch the turtles! Keep a safe distance and approach with caution. Do not touch or walk on coral.

Visitors are strongly advised not to enter the passage without a certified guide. They will keep you safe and ensure you have an unforgettable experience.

How to choose an operator:

- ▶ Supports MOU - An agreed code of conduct that ensures guest safety.
- ▶ Certified Cook Islands Bronze Medallion - Guides hold current lifeguard certification.
 - ▶ Operates only on weekdays - Weekend tours are not permitted.
- ▶ Cook Islands Quality Assured - Meets standards and has trusted business model.
